- We will always store your personal data securely and only for as long as necessary. We will not share it without your permission. We would never pass it on to a third party. Only those directly involved with running the group will have access to your details.
- We will never exchange or sell your information to another organisation.
- We will always give you control of how we use your information. You will always have the right to ask us to stop using it (see foot)
- We will only contact you in the ways that you wish. The information you give us, or give publicly, will allow us to make sure our communications to you are relevant.
